The Sixth Floor Museum Presents CSI FAMILY DAY

- WHO?** Youth groups, families, children 8 years and older interested in crime investigation.
- WHAT?** Crime Scene Investigation Family Day offers a fun afternoon of learning modern investigative techniques of crime solving. The first 500 children can have their fingerprints taken for ID purposes for free.
- HOW?** Investigate a mock crime scene and get evidence at various activity stations including fingerprinting, hair and fiber analysis, eyewitness testimony and document analysis.
- WHERE?** The Sixth Floor Museum at Dealey Plaza. 411 Elm Street. Dallas, Texas, call 214.747.6660.
- COST?** CSI Family Day is free with paid Museum admission. Parking available for \$5.

For the 5th straight year, our CSI Family Day gives guests the chance to examine a mock crime scene, perform forensic analysis at evidence stations and solve a hypothetical crime. It's a fun and engaging way to learn about modern investigative techniques and the real-life challenges to solving crime.
